Weekly Bulletin \$1.

LOUISVILLE.

SATURDAY, APRIL 7, 1855 prudent and cautious in their conduct to-day do not believe there will be any if everybo y does his duty and nothing but his duty. The voters should peaceably and quietly deport their votes and retire from the polls. There should be prudent and decided men to guard le ballot-box from abuse, men who will scrup vote. Let each and every individual for the one day avoid the use of intox calling liquor and the Committee or as Cha man of one day avoid the use of intox ca'ing liquor decommended in the second of the second o meet and prompily put it down should it be : 'tempted. It is the imperative duty of the c y obedience to law should there be any attempt

tation of our city.

1 ter de dolig in relation to Cuba. For our part, we think in the first place, that or many could not take C ba white a real council in this in the first probably a le time in opposition to the will of to cal seen, e e this, that a ler Whig editors in t p ace, that the taking of Cuba by torce will ca of whit we . r c we m ch doubt in the third place we here a se of k w g till shoble Whig veli a acq s'on would be desirable ever f t o a a c c beis of the Whig central conmplished without force.

fact, that Spar, if she were lo see ______v f le Sta le exist ge e mstance danger of Cuba's being wriched from livy M. M. C. y, at le serioned le' er, spe the Island either for the purpose of arm g State c nv (110)." Mr. II risn arronneed to them against the invaders or for the purpose of s ch fact, but probably this is a matter of no reudering the Island not only workless but consequences:

worse than worthless to this collection of years believed. A fixed we call the collection of the Louisi le Journal:

Barrstown. April 3, 1855.

GINTHERS: In your paper of Monday years believed as the question what we could possibly on the last the question has been put in every form and most perseveringly to the advocates of the sell received to the content of the content of the chairman of the fixed word of the sell of the sell of the sell of the content of the content of the chairman of the sell of the se worse than worthless to this county. This To the Editors of the Louisville Journal:

of the Nori era champions of So. h. m. right, m. question—a response which every Wing i the State had the right to know, and which remarks with undoubted truth that those who are not contract to let Cuba remain under the present relations to Spain greatly metake the feeting of a major by of the people of the North the design of the state had the right to know, and which are not contract to let Cuba remain under the present relations to Spain greatly metake the feeting of a major by of the people of the North the whole Central of State acretion what the whole Central contract the state had the right to know, and which every Wing is the state had the right to know, and which every will be a state and which every will be state h If they pose that at annexation to our Un'or State organization to be considered private a state organization to be considered private a facility. Nor do I yet think so. I am considered private a state of dental. not been a time when the North has been in a worse mood to listen to any such project. T.

He and the committee objecting to the repeal of the Mi so ri c mpromise has had its ti effect upon this. as upon all other questons af fect ng slav ry Il will to do bt take a war to into the Union. Whether such a strife w and every predent statesman will seek to avert

the occasion.

U ques ionably the price t is a time when all green patriots, whether is the North or in the patriots, whether is the North or in the patriots, whether is the first aspect.

The introduction of anything of a price patriotic conditions to the question as the introduction of anything of a price patriotic patriot South, sho d seek to mitigate the fi rce asperil en that a ready ex st. ii stead of b i ging abo t of or Republic is at stake.

seriousle's what are we coming to? Why is supposed and believed that a Catholic will swear to the truth, or affirm to it, as we'll!

ble carreat e of our Savier's death and crucikinds.—Economic Enquire:

With all respect to our friend of the Enq rece, we are unable to see anything wrong tu the matter spoken of. When a man, Catholic or
Protestant, is about taking an oath, we see to objection to anything calculated to deepen in his mind the impression of its solematy. We ourselves have heard ignorant Catholics say, if reply to interrogatories, that they shoul control is solematic, is an order of the Enquire.

Louisrille Democratic city, and then braz.

Louisrille Democratic city, and then braz.

A new drink has been introduced.

A new drink has been introduced in the res-aurants of Memphis. It is called the "Know-Nothing Cobbler," and is made of native wine. Nothing Cobbler," and is made of native wine.

We understand that the Hon. John L. Helm
Presudent of the Louisville and Nataville Railroad Company, was in town on Saturday 1sst,
and made application to a called session of the
Logan county court for the lisuance of the bonds
voted by the county as stock in said road.

Mr.
Helm predages the faith of the company, if ha
request is granted, to spend every cent of the
money in the county. The court asked time to
consider the matter, and has not yet decided
whether the bonds shall be issued or not.

Russellville Herald.

A LETTER FROM COL. HARDY IN RELATION HIS NOMINATION BY THE TEMPERANCE QUALIFICATIONS OF VOTERS. - Sec. 8, art. 2, CONVENTION. - We find the following in the last of the Constitution of Kentucky, prescribing the New Era. We infer from it that Col. II. does qualifications of voters, is as follows:

and that I reasonably might have been embar-r. ssed. I was, at one time, notified of a resolu-

NEW NORK. April 6 The Baltic has arrived, bringing dates to t'

24th.
The St. Louis arrived out Saturday.
The four points guarantee the place of the Danubian Provinces under the protectate of the Four Power, was unanimous argued to.

The first of the four points, which has bee

All Pacha, minister of foreign affairs, has

Nothing of importance before Eupatoria.

Gen. Burgoyne remains in the Crunea at the request of Raglau.

The health of the allied troops is satisfactory.

The English position is well fortuned.

The Russians have received reinforcements at the allied coincil of war, held on the lib.

At the allied coincil of active operations was

mounted to 35,000 men and continually rem-forcing.

Aicholas's death was announced at Sebastopol on the 6th of March.

Ilamfan, April 6.

The Jamestown sailed this morning with sealed orders. It is understood they direct her to touch at Havana.

The following was received from Washington:
"The officers of the Columbia have been detached and granted three months' turbough. There have been 63 cases of yellow fever sent from the Columbia to the naval hospital. There have been five deaths."

The most voice that any of them, with the exception perhaps of Page, Baccin, & Co., can resume.

Among the failures of mercantic houses though the week, may be mentioned those of Chapin, Sawyer, & Co and B. B. Course.

The newly discovered diggings—the Kerr river injees—receive their full share of public attention. People are flocking thickers are reported, many of them, indoubtedly, very much exaggerated.

The Rev. Dr. Betelherm, who has been engaged in missionary labors in Loo Choo since 1811, gave an interesting account of his experience before a number of elegymen attached to the Methodist Episcopal Church last evening. The Doctor gave his views upon the prospects of missionary and commercial interecourse with Japan, and declared it to be his convenient by the William Commercial interecourse with Japan, and declared it to be his convenient but will receive mean properties.
